## **Honorariums**

An honorarium is a payment that is given to persons participating in a service, such as a minister, musician, soloist, or technician. We encourage families to consider the time and effort that one may invest in meeting with families via the telephone or in person, preparing the order of service, the sermon, or music, travel time, and expenses involved in traveling to the service. At present we estimate honorariums to be in these ranges:

Clergy \$200.00 - \$300.00

Musicians \$100.00 - \$150.00

Soloists \$100.00 - \$150.00

Technicians \$75.00 - \$125.00

Honorarium payments may be included on the funeral contract or you may choose to pay the recipient directly. Personal checks or cash are typical and should be provided to the recipient before the start of the service.

## **Financial Policy**

Holt & Holt Funeral Home wants each family to have a clear and concise understanding of the financial matters related to the services they choose. Our experience shows that families like to know their options and how payment is expected. It is our commitment to you to offer selections and services in many price ranges.

All financial arrangements for the funeral or memorial services must be settled prior to any public announcement of arrangements by the funeral home. Due to **Federal Truth In Lending Laws**, Holt & Holt Funeral Home is unable to provide in-house financing or monthly payment arrangements at the time of service. Payments may be made by cash, check, credit card, prepaid funeral plan, or insurance assignment. A charge of 1.5% per month (18% per year) for unanticipated late payment will be charged on any amount unpaid after services have been provided.

We honor the majority of prepaid funeral plans from other funeral homes, provided those plans are valid and currently in force. For insurance assignments, a third party assignment company, **Express Funeral Funding**, is utilized to secure funds for the total amount of the Statement of Goods and Services Contract. The total fee charged is a basic **\$100.00** minimum charge or **3.50%** of the Assignment Total when over the minimum, which will be deducted from the life insurance policy value.

We can also assist you in applying for a third-party loan via LendingUSA to cover funeral expenses. You may wish to contact your personal financial institution to provide financing if none of these options meet your needs.
